Title (1)- 360-degree Appraisal of Teachers (E-Bijoy)

Objective for the Practice: A multi-rater feedback, or 360-degree feedback, is a procedure by which the employer assesses the performance of the worker from as many angles as feasible. The anonymous "360-degree" employee performance review process was created by the college to track the extent, capabilities, and shortcomings of the educators for qualitative growth.

The Context: Completing a 360-degree feedback form gives the college more understanding and comprehension to create their own expectations and succeed in the end.

Four essential elements make up The Practice's 360-degree evaluation.

- Evaluation of oneself
- The principal's evaluation
- Students Evaluation on Teachers
- Peer Evaluation

Proof of Success: The evaluation eventually affected the teachers' overall performance. When 360-degree feedback is used effectively, it starts and promotes a significant improvement in the teachers. Improvements in work relations result in higher faculty output. It creates an atmosphere conducive to learning, research, and productivity growth. By creating a channel of communication with the students, it expands the work's scope and makes it possible to discuss and resolve issues.

The Context- The Outreach programs often focus on promoting diversity and inclusion within the student body. They aim to create a more inclusive environment by engaging with students from varied backgrounds, addressing issues of equity, and fostering a culture of mutual respect and understanding.

The Key idea behind the outreach programme is to collectively help in shaping well-rounded, informed, and responsible college graduates. The programmes conducted are:

- **Donation of food and other essential items to neighbourhood areas during covid-19 period**
- **Distribution of menstrual pads to the women**
- **Nutritional check up**
- **Spreading the importance of Hygiene and Health**
- **Our students teaching in nearby schools**
- **Spreading Awareness on Dengue and Corona Virus**
- **Visiting Old Age Home**
- **Blood Donation**
- **Formation of Covid-19 Relief Fund to help our students cover admission Fees.**
- **Spreading Awareness on Menstruation and female health in nearby School titled 'No-Shame Periods'.**

Ref. No. the 20

To
The Headmaster
Bibhuti Bhusan Primary School
College para, Bongaon, North 24 Parganas.

Subject: Request for Permission to Conduct Educational Sessions at Bibhuti Bhusan Primary School

Respected Sir,

I am writing this letter to inform you that our dedicated teachers at Dinabandhu Mahavidyalaya have expressed a strong desire to contribute to the education and well-being of the primary school students at Bibhuti Bhusan Primary School. The initiative aims to conduct educational sessions focusing on health, hygiene, and other essential social skills.

The plan is for our teachers to visit Bibhuti Bhusan Primary School for two hours once in a week after school hours. These sessions will be designed to be engaging, informative, and age-appropriate, tailored to the needs of primary school students. The topics covered will include but are not limited to health awareness, personal hygiene, and valuable social skills, etc.

We believe that this continuous engagement will not only enhance the academic knowledge of the students but also contribute significantly to their overall development. The programme will commence every week on the same day, and our teachers are committed to maintaining consistency and regularity.

Before we proceed with the implementation of this programme, we seek your kind permission and support. We are confident that this collaboration will create a positive impact on the students' lives and foster a sense of community between our institutions.

Thank you for considering our proposal. We are excited about the potential positive outcomes of this collaboration and the mutual benefits it can bring to both our educational institutions.

Sincerely,

Dr. Biswajit Ghosh

Transformative Education: Dinabandhu Mahavidyalaya's Outreach at Bibhuti Bhusan Primary School

Dinabandhu Mahavidyalaya, Bongaon, initiated an educational programme aimed at fostering holistic development among primary school students at Bibhuti Bhusan Primary School, Bongaon. The programme, spanning nearly one year, focused on imparting knowledge on health, hygiene, and social development to the young learners.

Every Saturday, post-school hours, dedicated teachers from Dinabandhu Mahavidyalaya, namely Prof. Pritish Biswas, Prof. Dr. Raja Majumder, Prof. Subrata Chakraborty, Prof. Dr. Shilpi Dass, Prof. Rakesh Mondal, Prof. Bidhan Chandra Roy, Prof. Susmita Seth, and Prof. Anindita Debnath, Krishna Kamal Ghosh devoted two hours to teach and interact with the enthusiastic students.

The classes were meticulously organized by the Teacher in Charge of Bibhuti Bhusan Primary School, Sri Soumen Kr Nath, who extended a warm welcome and ensured the smooth functioning of the programme throughout its duration. Under his supervision, the sessions were engaging and productive, allowing both students and teachers to actively participate and learn.

As a token of appreciation and encouragement, the college teachers presented gifts to the diligent students on the concluding day of the programme. The gesture was met with gratitude and joy from the students, who cherished the recognition of their efforts.

In a heartening conclusion, Sri Soumen Kr Nath, the Headmaster of Bibhuti Bhusan Primary School, extended heartfelt thanks to the college teachers for their invaluable contribution towards the educational enrichment of the students. The event exemplified the spirit of collaboration and dedication towards nurturing the young minds for a brighter future.

Thank You

Best Practices (2b) - খোলো খোলো দ্বার 'Open the Gates'

By "opening the gates" of higher educational institutions to school students, we can provide them with invaluable opportunities to enhance their learning and curiosity. Allowing access to specialized resources such as advanced libraries and laboratories, exposes young learners to academic disciplines far beyond their standard curriculum. This early exposure ignites interest in advanced subjects, fosters a deeper curiosity, and encourages them to explore new areas of knowledge and research. Integrating colleges into the larger society in this way creates a pathway for students to engage with higher education early, empowering them to dream bigger and prepare more effectively for their academic futures.

Respected Masters,
I would like to inform you that the College has a Central Library possessing around 18000 books and approximately 6000 e-journals along with internet facilities for searching and browsing articles. In this regard I would like to mention that an Librarian provide the crucial role in providing education, research, personality development, ethics and other important values. So we intend to extend the facilities in the College Library as an out-reach programme of the College for the benefit of the society.

With these objectives in view, I request you to allow 10 students of Class VII to Class XII along with a Teacher Representative to visit the Central Library on alternate Saturdays for at least two hours.

In future we hope to extend this facility to all the students of your school. Your kind co-operation in this regard will be highly appreciated.

Thanking you
Sincerely,

Madam,
I would like to inform you that the College has developed a Herbal Garden within the Campus with a perspective to give the students a better understanding of medicinal value of plants. Students are taken by the Science Teachers to the herbal garden, where the scientific names and the uses of these medicinal plants are also displayed. Apart from these there are various other important roles that the Herbal Garden does for the benefit of the students with regard to dissemination of knowledge. We intend to assist the students in better understanding of description and identification of common medicinal plants and to have an idea about different parts used for medicinal purposes.

With these objectives in view, I request you to assign 10 students along with a Teacher Representative to visit the Herbal Garden of the College with the students of your School having Biology as a subject on **TREE PLANTATION DAY (29.07.2022)** at 2pm.

In future we hope to extend this facility to all the students of your school. Your kind co-operation in this regard will be highly appreciated.

Sir,

I would like to inform you that the college has a central Library processing around 18000 books and approximately 6000 e-journals along with internet facilities for searching and browsing articles. In this regard I would like to mention that as libraries provide that crucial role in promoting education, research, personality development, ethics and other important values. So we intend to extend the facilities in the college library as an out-reach program of the college for the benefit for the society.

With these objectives in view, I request you to allow 10 students of class VIII to class XII along with a teacher representative to visit the Central Library on alternate Saturday for at least two hours.

In further we hope to extend this facility to all the students of your school. Your kind cooperation in this regard will be highly appreciated.
