

- a) Name: Piyali Das
- b) Qualification: M.Sc.
- c) Specialization: Physical Anthropology
- d) Research Area:
- Different aspects of biological anthropology.
 - Special interest in dermatoglyphics and its association with different genetic diseases.
- e) E-mail: piyalidas24@gmail.com
- f) List of publication (In Peer reviewed Journals)
- **Piyali Das**, Jyoti Ratan Bandyopadhyay and Arup Ratan bandyopadhyay. Palmar a-b ridge count in E-beta thalassemia patients: A study on the Bengalee Hindu Caste population of West Bengal, India. *Human Biology Review*. 2014. Vol 3 (4): 384-394.
 - **Piyali Das** and Arup Ratan bandyopadhyay. A study on main line index among the E- Beta Thalassemia patients of Bengalee Hindu caste populations of West Bengal, India. *The Indian Journal of Anthropology*. 2014. Vol 2(2): 85-94.
 - **Piyali Das**, Jyoti Ratan Bandyopadhyay and Arup Ratan bandyopadhyay. Association of finger ridge pattern and E-Beta Thalassemia: A Study on Bengalee population of West Bengal, India. *Advances in Anthropology*. 2015. Vol 5: 19-21.
 - **Piyali Das** and Arup Ratan Bandyopadhyay. 2D:4D finger ratio among the E-beta Thalassemia males of Bengalee Hindu Caste population, West Bengal, India. *European Journal of Biomedical and Pharmaceutical Sciences*. 2015. Vol 2(4): 389-392.
 - Biswarup Dey, **Piyali Das**, Arup Ratan Bandyopadhyay. A study on atd angle among the Autistic patients of Bengalee hindu caste population of West Bengal. *Human Biology Review*. 2016. Vol 5(4): 437-442.
- g) Awards and Scholarships won: Junior Research Fellowship (UGC-NET)
- h) Institutional Membership: Nil
- i) Conference Attended
- National Seminar on , “Human Diversity and Development: From Local to Global Perspectives” on March 27-28, 2017 organised by Department of Anthropology, University of Calcutta. Title: 2D:4D finger ratio among the E-beta Thalassemia males of Bengalee Hindu Caste population, West Bengal, India; **Piyali Das** and Arup Ratan Bandyopadhyay.

- 45th Annual Conference of the Indian Anthropological Society, “Anthropology and Human Welfare” on May 23-25, 2015 organised by Indian Anthropological Society in collaboration with Department of Anthropology, University of Calcutta. Title: Mainline index in E Beta thalassemia patients: A study on Bengalee Hindu caste population of West Bengal; **Piyali Das** and Arup Ratan Bandyopadhyay.
- National Seminar, “Ethnic Diversity in India and Dr. Ambedkar’s Idea of Social Justice” on March 27-28, 2014 organised by Department of Anthropology University of Calcutta. Title: A study on some dermatoglyphic variables among the Bengalee Hindu Caste population of West Bengal; **Piyali Das** and Arup Ratan Bandyopadhyay.
- Indian Anthropological Congress, “Human Variation, Plurality and Diversity: Anthropological Perspective on February 21-23, 2014 organised by Department of Anthropology, Dibrugarh, Assam. Title: A study on some dermatoglyphic variables among the Bengalee Hindu E Beta thalassemia patients of West Bengal; **Piyali Das** and Arup Ratan Bandyopadhyay.
- Golden Jubilee National Seminar and 44th Annual Conference of the Indian Anthropological Society, “Anthropology in contemporary India : Prospects and challenges” on January 17-19, 2014 organised by Pt Ravisankar Shukla University, Raipur (C.G). Title: Association of quantitative dermatoglyphic traits and E-beta thalassemia: A study on Bengalee population of West Bengal; **Piyali Das** and Arup Ratan Bandyopadhyay.
- Golden Jubilee National Seminar and 44th Annual Conference of the Indian Anthropological Society, “Anthropology in contemporary India : Prospects and challenges” on January 17-19, 2014 organised by Pt Ravisankar Shukla University, Raipur (C.G). Title: A study on socio demographic aspects and reproductive performance in Bengalee Hindu Caste population; **Piyali Das** and Arup Ratan Bandyopadhyay.
- National conference, “Recent Trends in Research on Biological Anthropology in the Eastern and North Eastern India” on November 21-23, 2013 organised by Indian Statistical Institute. Title: Association of some dermatoglyphic traits and E-beta thalassemia: A study on Bengalee Hindu Caste population; **Piyali Das** and Arup Ratan Bandyopadhyay.
- National Seminar, “Diversity, Social Exclusion, Backwardness & development” on March 23-25, 2011 organized by Dept. of Anthropology & CSSEIP, University of Calcutta. Title: A study on reconstruction of stature using different head and face measurements among the adult Bengalee females of West Bengal; **Piyali Das** and Arup Ratan Bandyopadhyay.
- Special session of the Anthropological and Behavioural Science of the Indian Science Congress on March 26-27, 2011 organized by Dept. of Anthropology , Punjab University, Chandigarh. Title : Association between stature and different head and face measurements among the adult Bengalee females; **Piyali Das** and Arup Ratan Bandyopadhyay.
