Dinabandhu Mahavidyalaya

At a Glance

In its existence of almost 75 years, Dinabandhu Mahavidyalaya has been braving odds with unrelenting determination while remaining steadfastly dedicated to its prime objective of imparting true enlightenment to young minds.

Established in 1947, the watershed year of Indian history, Dinabandhu Mahavidyalaya boasts of an illustrious past with its origin inseparably linked with three of the most eminent sons of the soil of early twentieth-century Bengal, Dinabandhu Mitra, Bibhutibhushan Bandyopadhyaya and Rakhaldas Bandyopadhyaya. It was their concerted efforts that led to the birth of this institution.

With time and the ever-changing demands of students, Dinabandhu Mahavidyalaya has introduced postgraduate (in Bengali), introduced honours in its existing Computer Science stream and included Sociology and Physical Education as additional disciplines. Simultaneously, there has been a lot of technological up-gradation, like the establishment of audio-visual classrooms equipped with sophisticated projectors and acoustics, a state-of-the-art seminar hall, a spacious auditorium, and a server room alongside computerisation of the library and installation of computers in all its academic departments as well as the office.

In keeping with the growing needs of the hour, the college has constituted its own RTI Cell, Anti-ragging cell, and Internal Complaints Committee as well as an Alumni Association and a Guardians' Cell, to respond to various demands from students as well as to ensure a healthy academic atmosphere in its premises.

The aforementioned improvisations and initiatives notwithstanding, this institution still has 'miles to go'. With that end in view, Dinabandhu Mahavidyalaya shall be adapting itself to the new challenges in the upcoming years and the changes that the future will necessitate.

Dinabandhu Mahavidyalaya can be reached at its official website, <http://www.dinabandhumahavidyalaya.org> (<http://www.dinabandhumahavidyalaya.ac.in>). Suggestions, opinions, and queries may please be e-mailed to info@dinabandhumahavidyalaya.org (info@dinabandhumahavidyalaya.ac.in).

Cultural Activity

The college encourages various cultural activities like quiz competitions, debate, drama, musical performances which are held around the academic session. Several new talents emerge from these cultural exchanges. Special programmes are arranged on the occasions of the birthdays of Rabindranath Tagore, Bibhutibhushan Bandyopadhyay, and other momentous figures from the realm of literature and culture as well as on dates of historical significance, e.g. *Bhasha Dibas* and others. Apart from these, the Students' Union organises a major annual inter-college fest.

Seminars, Workshops, and Students' Seminars

This institution understands that restricting the teaching-learning process to mere textbook-bound and conventional modes of classroom teaching can never lead to successful imparting of education. Hence, the various departments of the college organise seminars and workshops at regular intervals in which resource persons from various institutions of the state are invited to deliver their well-versed views. These exposures to new ideas and thoughts keep the teaching faculty updated and, at the same time, result in the enrichment of the students. Apart from these, intra-department students' seminars are regularly organised which provide students with a platform to voice their own views while giving them confidence to speak in public forums.
